New Idea:
Instruction Apprentice - Service Learning Program
Instruction Librarians for NextGen Information Literacy
The Path
Hourly Academic vs. Hourly Instruction Librarians
Goals:

- Pedagogy Training

- Resume, Interview Preparation

- Student Success
Pedagogy (Instruction Delivery Methodology):

3 Observations

2 Team-Teaching Sessions

1 Solo Teaching with an Observation
Engaged Faculty Librarians

Even if you’re on the right track – you’ll get run over if you just sit there.
Robert Gagne’s 9 Events of Instruction
Events = Conversations about Observations:

- Gain attention of students
- State learning objectives
- Stimulate recall of prior knowledge
- Present new concepts
- Provide learning guidance
- Elicit student practice and activities
- Provide feedback
- Assess performance
- Enhance retention and application
Welcome to ACC!

Librarians are just like search engines, except they smile and they talk to me and they don't give me paid-for advertising when they are trying to help. And they have actual hearts.

Matt Haig

Teachers are to inspire; librarians are to fulfill.

Ray Bradbury

Keywords

Use Keywords to search - not sentences!

Keywords are the most important words in your topic.

Example topic: Do video games make teenagers violent?

Keywords:
- "video games"
- teenagers
- violence
- Keyword Generator
  From UT Libraries
