Academic Coaching helps guide students through the many challenges they face while in college. Our coaches offer personalized, one-on-one sessions that help develop effective learning strategies.

We can provide assistance with:

- Improving time management skills
- Developing & following a schedule
- Setting attainable goals
- Preparing for exams
- Improving study habits
- Taking effective notes
- Reading a textbook effectively
- Overcoming test anxiety

Academic Coaching is offered 7 days a week. We accept walk-ins; no appointment needed! However, if you would like an appointment call 512-223-7349. You may also email us acceleratorcoaches@austincc.edu.
